

The image shows a Scratch script with four key-press events. Each event is a yellow block with a dropdown menu and the text 'key pressed'. The first event is 'up arrow' followed by a blue 'change y by: 10' block. The second event is 'down arrow' followed by a blue 'change y by: -10' block. The third event is 'right arrow' followed by a blue 'change x by: 10' block. The fourth event is 'left arrow' followed by a blue 'change x by: -10' block. A 'Sprite' icon is visible in the top right corner of the script area.

```
when up arrow key pressed  
change y by: 10  
  
when down arrow key pressed  
change y by: -10  
  
when right arrow key pressed  
change x by: 10  
  
when left arrow key pressed  
change x by: -10
```
